- 5.4** Nothing in this Article limits the initiative on the part of the unit member to take whatever action he/she may consider necessary in the accomplishment of his/her duties as long as such action is not in violation of this agreement, Board Policy, or Administrative Regulations.
- 5.5** All unit members shall be entitled to a duty-free lunch period of at least thirty (30) minutes.
- 5.6** Unit members teaching in grades six (6) through and including twelve (12) shall have one (1) class period per day to be utilized for preparation time, except on modified days. The period shall be the same length as a regular instructional period. Changes or additions to this list shall be mutually agreed upon by the District and Association.

- 5.7** Unit members teaching in grades Kindergarten through and including fifth (5th) shall have one hundred fifty (150) minutes per week to be utilized for preparation time. These minutes may be reduced in number if prep minutes fall on a non-student or modified day, or due to an unforeseeable circumstance, such as, but not limited to, inability to secure substitute coverage, fire/earthquake drills, building evacuation, etc.
- 5.7.1** Kindergarten teachers shall be assigned by the site administrator to assist other K-3 teachers for ninety (90) minutes per day; a minimum of forty five (45) of these minutes per day shall be assigned in a Kindergarten classroom.
- 5.8** In preparing the initial master schedule, the Administration shall consider employing full-time unit members before considering offering extra period assignments to current unit members.

Full Day TEC Rate - \$8.00 per student rate if students are in attendance in class greater than three (3) hours.
Half Day TEC Rate - \$4.00 per student rate if students are in attendance in class less than or equal to three (3) hours (See Appendix N).
- 5.10 ELEMENTARY PREPARATION TIME**

- 5.10.2** As a result of serving assigned supervisory duties, each unit member of grades 1-5 shall be accorded two professional release days per year for purposes of planning and preparation. These days shall be scheduled by each unit member with the principal. The unit member shall submit to the principal a plan for the use of the professional release day. Professional release days for individual unit

members shall be scheduled by the principal to assure that no detriment to the school program occurs (e.g. too many subs on campus, holiday or weekend extensions, or special needs at the site), (Appendix L).

5.11 For the purpose of this article, a single teaching assignment preparation for unit members in grades 6-12, will be defined by the course title in the master schedule. If the unit member is directed by the administrator to teach two different curriculums in the same period, this then will constitute two teaching assignment preparations for this one period.

5.11.1 Middle school teachers will not be assigned more than three (3) teaching assignment preparations unless mutually agreed upon (using Appendix M) by the teacher and site administrator. Assignments to be excluded are EL, Interventions, Virtual School, PE, VAPA, and Special Education programs including SDC Concepts, BRIDGE, SH, STEPSS, ED/Behavior Class, and any other self-contained Special Education classrooms.

Assignments to be excluded are Career Tech, EL, Interventions, Virtual School, Independent Study, Adult School, PE, ROTC, VAPA, and Special Education programs including BRIDGE, SH, STEPSS, ED/Behavior Class, and Adult Transition classes, and any other self-contained Special Education classrooms.

5.12 Each site will have school-wide intervention program(s) to be approved by 60% of the bargaining unit members that submit a ballot. TVEA and the site administrator will conduct the vote.

ARTICLE 6: YEAR-ROUND-EDUCATION - SUSPENDED

ARTICLE 7: COMPENSATION AND BENEFITS

7.1 COMPENSATION - SALARY AND STIPENDS

7.1.1 Effective July 1, 2019, a 2.3% increase will be applied to all non-longevity steps for salary schedules in Appendices B-1, B-2, B-3, B-4, B-5 and B-9; a 4.3% increase to all non-longevity steps for the salary schedule in Appendix B-8.

A one-time off-schedule payment of 2% to be determined as follows: All members in paid status as of the date of ratification who are also employed by the District on September 1, 2019 will qualify for the one-time off-schedule payment. The payment will be based upon salary schedule placement at the time of ratification of this Agreement and paid no later than October 31, 2019.

The salary schedules in Appendices B-1, B-3, B-4, B-5 and B-8 shall be restructured to a 4-column schedule such that existing columns A through C will be combined into one column and any member who has a Bachelor's

degree with up to 44 units will be placed on the first column. The other columns will remain the same.

7.1.2 The Extra Duty Stipend Schedule, Appendix C-1 shall be amended to reflect any changes made to Appendices B-1, B-3, B-4, B-5 and B-8. Any CIF sanctioned and TVUSD Board of Trustees approved sports teams requiring coaches will be automatically included on the Extra Duty Stipend Schedule, Appendix C-1 or C-2.

7.1.2.1 The stipend and extra-duty percentages referenced in Appendix C-1 and C-2, shall be calculated based on the Stipend/Extra Duty Base, which will be indexed to applicable future compensation increases. Effective July 1, 2019, the Stipend/Extra Duty Base shall be \$50,069.

7.1.3 Unit members will be paid twelfthly.

7.1.4 Special Education unit members referenced in Section 5.6.1.3 shall receive an annual stipend in the amount of \$1,500 to be paid twelfthly in accordance with Section 5.6.1.2.

7.1.5 The District and the Association negotiations teams shall form an Ad-Hoc Budget Committee. The Committee will collaborate in an effort to reach consensus regarding a recommendation for compensation to the Association and District negotiation teams. In order to achieve this goal, the Committee shall collaboratively analyze the budget. The result of the Committee meetings will be reported to the negotiations teams irrespective of whether consensus is reached. The Committee will adopt and amend by-laws that govern their committee.

7.2 HEALTH AND WELFARE BENEFITS

7.2.1 Effective October 1, 2018, the District contribution limit to the cost of medical, dental and vision insurance premiums per each eligible, full-time unit member and his/her dependents shall be \$887.25 per month (twelfthly). For the 2018-19 plan year, the District contribution limit shall be \$10,557. Thereafter, commencing in the 2019-20 plan year, effective July 1, 2019, the contribution limit shall be \$10,647. Payment of any additional medical, dental or vision insurance premium costs shall be paid by the individual unit member (Appendix B-6).

7.2.2 All rebates from the District JPA shall be applied directly to reduce the cost of Health and Welfare Benefits.

7.2.3 The District shall establish an Insurance Advisory Committee (IAC) for the purpose of researching available options and cost economies to maximize plan benefits and minimize premium costs to the District and employee participants. TVEA will appoint five (5) members to the IAC. The District shall provide the IAC and TVEA with relevant data within a reasonable time of the request concerning the health and welfare costs, experience, and plan expenses.

The IAC shall meet as needed. It shall solicit proposals and estimates, study costs of providing insurance coverage and usage by District employees, and shall make recommendations to their respective employee units.

7.2.4 If, through the IAC and negotiations process, there are changes to the health insurance plans with the current carrier, the parties must complete negotiations and provide notification to the District at least seventy-five (75) calendar days before the coverage start date. In the event that plan change negotiations are not completed within the seventy-five (75) calendar day deadline, the parties may mutually agree to have a negotiations subcommittee, comprised of at least one (1) District and one (1) TVEA representative, meet to determine if a separate agreement can be reached.

In the event of a carrier change, negotiations must be completed and provide notification to the District at least ninety (90) calendar days in advance of the start date for the health plans of the new carrier. These notification timelines are intended to provide employees, at a minimum, a two week open enrollment period.

7.3 LIFE INSURANCE COVERAGE (STANDARD INSURANCE CO)

The District shall pay the premium for term life insurance in the amount of \$25,000 for the employee only.

7.4 DEATH BENEFIT

In the event of the death of a unit member, the surviving spouse and/or dependent children shall be eligible to receive fully paid health, vision, and dental benefits for six (6) months.

7.5 RETIREE HEALTH AND WELFARE BENEFITS

To qualify for this benefit, a retiring bargaining unit member must be at least fifty-five (55) years of age, and have fifteen (15) years of full-time service in the District as of the date of retirement. Partial years of service may be counted to reach fifteen years of full time service. For example, two years at 50% service will amount to one year of full time service. The retiring bargaining unit member must have participated in H&W insurance for the past 10 years with the District. Further, the retiring bargaining unit member must submit his/her letter of retirement no later than February 15th of the school year that he/she retires, and the retirement must be effective at the end of that school year.

The retiree benefit paid by the District shall not exceed the cost of the lowest active HMO medical premium at the time of retirement; however, in no event shall the benefit exceed the District's health and welfare contribution limit for each bargaining unit member. The retiree benefit shall only be applied towards the purchase of a health and welfare benefits package (including health, dental and vision). The benefit shall be paid for the lesser of five (5) years or until the retiree attains Medicare age eligibility (i.e. 65 years of age).

For those eligible retirees who wish to extend medical coverage beyond five (5) years in order to reach Medicare eligibility, they may do so at their own cost. For those eligible retirees who wish to include an eligible family member in their plan, they may do so at their own cost. For those eligible retirees who wish to purchase a plan that costs in excess of the lowest HMO medical premium at the time of retirement, they may do so with the excess cost absorbed by the retiree.

In the event of the death of the retiree during the retirement benefit coverage period, any surviving eligible spouse or dependent may continue to participate in the health coverage plan in accordance with and subject to applicable law, with the entire cost of the coverage incurred by the surviving eligible spouse or dependent.

If a financial contribution from the retiree is required in order to maintain benefits during the retiree health and welfare benefit period, it is expected that the payments will be made on time. Payments not received on or before the due date in the office of Risk Management will be considered late. Should a retiree twice be late in paying his/her contribution, he/she will be required to deposit six months of contributions ahead of time. Should a retiree three times be late in paying his/her contributions, he/she will be dropped from coverage and no further benefits will be made available.

For any bargaining unit member who retires under this program and whose spouse remains employed by the District, the retiree may be carried on the spouse's medical plan. There would no longer be the "dual spouse discount" offered by the District, but the retiree could opt to use the cash equivalent of the lowest cost HMO to lower the cost of the active spouse's monthly premium(s) for a period of no more than five (5) years or until the unit member attains Medicare age eligibility (i.e. 65 years of age), whichever comes first. In the alternative, the retired employee could elect to wait to begin the Bridge Program as long as he/she is continuously covered under the employed spouses' medical insurance, until both spouses have retired in order to put the costs toward their retirement premium(s). The retiree would have no more than five (5) years from the retirement date to activate this option and the benefit lasts for a period of no more than five (5) years or until the unit member attains Medicare age eligibility (no more than 65 years of age), whichever comes first.

7.5.1 Unit members who would otherwise qualify for the Retiree Health and Welfare Benefits referred to in Article 7.5 of the CBA during the school year, but for their ability to complete a full school year due to unforeseen medical circumstances documented by a medical provider, and who are subject to placement on the 39-month rehire list, may elect to retire prior to the end of the school year and be deemed eligible for Bridge Medical. In these limited instances, the retiring unit member must submit his/her retirement notification within ten (10) days of his/her placement on the 39-month rehire list. The retiring unit member must also enroll in the District's retiree Health and Welfare Benefits plan and make the full monthly H&W premium payments until June 30. All other conditions of this benefit will be in accordance with Article 7.5.

ARTICLE 8: REIMBURSEMENTS

8.1 Unit members who may be required to use their own automobiles in the performance of their duties and unit members who are assigned to more than one school a day shall be reimbursed for all such travel at the standard IRS computation rate.

8.2 Unit members who may be requested to use their personal cars for field trips or other business of the District shall receive the benefits provided in 8.1 above.

- 9.3.3** Prior approval from the site level administrator shall be obtained for all units, which apply to advancement.
- 9.3.4** The official date of eligibility for salary increase shall be the date verified transcripts or official grade reports are received by the Human Resources Development Office. These documents shall determine college course unit verification.
A certificated employee who qualifies for a salary increase shall be paid the increased salary no later than three (3) pay periods or three (3) months, whichever is longer, after the employee files proper documentation required for the salary increase. Interest will be applied per Ed. Code 45048 if the District does not meet payment timelines.
- 9.3.5** In the event that doubt as to the acceptability of a particular course arises, approval from the Human Resources Development Office should be obtained prior to class enrollment.
- 9.3.6** Employees may, but are not required to, submit a request for approval of an entire program; i.e., a master's program, or a program for a particular credential. The request must list and have approved each course in the program. Any changes in the program courses must be resubmitted for approval to the Human Resources Development Office.

9.4 LONGEVITY

- 9.4.1** Column F of the Certificated Salary Schedule shall include longevity steps for unit members upon completion of fifteen (15), eighteen (18), twenty-one (21), and twenty-four (24) years of full-time teaching. Such members shall be granted longevity increments at the beginning of their sixteen (16), nineteen (19), twenty-two (22), and twenty-five (25) years of credentialed experience and providing they meet the following criteria:
- 9.4.1.1** A minimum of 50% of years of experience (that is, the completion of eight (8), nine-and-a-half (9.5), eleven (11), and twelve-and-a-half (12.5) years respectively) shall have been earned in the Temecula Valley Unified School District or its predecessor District: Temecula Union School District or the Elsinore Union High School District.

- 9.4.2** Unit members shall complete Longevity form H-1 to receive their longevity step at Step 16, Step 19, Step 22, and Step 25 (when applicable).
- 9.4.2.1** The District shall send out a reminder notification to all unit members on step/column F13-F22 by March 1st each school year. The purpose of the notification is to inform unit members of their potential eligibility for longevity. This notification will include the member's hire date and the criteria necessary to qualify and apply for longevity as listed in Section 9.4.2.

Every effort will be made by the District to notify all unit members on step/column F13-F22, however it is ultimately the unit member's responsibility to monitor his/her longevity progress. The process described in Section 9.4.2.1 is non-grievable.

9.4.2.2 A certificated employee who qualifies for longevity advancement shall be paid the increased salary not later than three (3) pay periods or three (3) months, whichever is longer, after the employee files proper documentation required for the salary increase. ARTICLE 10: LEAVE

ILLNESS/MEDICAL LEAVE

10.1 PERSONAL ILLNESS AND INJURY

10.1.1 Full-time unit members shall be entitled to ten (10) days leave with full pay for each school year for purposes of personal illness or injury. Unit members who work less than full time shall receive a prorated amount of the ten (10) days, based upon the number of hours that they actually work. If, in the opinion of management, it appears that there is an abuse of this section, it is agreed that the District may take whatever it considers reasonable action to verify the unit member's illness.

10.1.2 If a unit member does not utilize the full amount of leave as authorized in 10.1.1 above in any school year, the amount not utilized shall be accumulated from year to year.

10.1.3 Whenever possible, a unit member must contact the substitute caller as soon as the need to be absent is known, but in no event less than one (1) hour prior to the start of the work day to permit the employer time to secure a substitute service. Failure to provide adequate notice shall be grounds for denial of leave with pay or other disciplinary action.

10.1.4 A unit member's reported absence shall be deducted hour-for-hour from sick leave.

10.1.5 A unit member shall not have a substitute assigned for an additional day(s) unless he/she calls the Substitute Finder System indicating an extension of an absence. In addition, a unit member shall call his/her District site of

10.2.1.1 District management may require a unit member to present a medical doctor's certificate verifying the personal illness or injury and/or a medical authorization to return to work if the illness or injury exceeds five (5) consecutive days.

10.2.1.2 The District may require a certified medical specialist to visit the unit member and make all necessary inquiries in order to be fully informed as to the nature and severity of the illness or injury, and to report such findings to the Superintendent or designee.

10.2.1.3 If the report concludes that the absence is not due to personal illness or injury, or that the illness is not sufficiently severe to warrant continued absence, then the Superintendent or designee, after notice to unit member, may refuse to grant such leave.

10.2.1.4 If requested by the District management, a unit member shall not return to work until he submits a medical doctor's authorization to return to work.

10.2.1.5 The amount deducted for leave purposes from the unit member's salary shall be the amount actually paid a substitute employee employed to fill the position during the leave, or if no substitute is employed, the amount which would have been paid to a substitute.

10.3 INDUSTRIAL ACCIDENT

- 10.3.1** Unit members will be entitled to industrial accident leave according to the provisions in Education Code Section 44984 for personal injury which has qualified for worker's compensation under the provisions of the State Compensation Insurance Fund.

10.3.2 Such leave shall not exceed sixty (60) days during which the schools of the District are required to be in session or when the employee would otherwise have been performing work for the District in any one fiscal year for the same industrial accident.

10.3.3 The District has the right to have the unit member examined by a physician designated by the District to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved.

- 10.3.4** For any days of absence from duty as a result of the same industrial accident, the unit member shall endorse to the District any wage loss benefit check from the State Compensation Insurance Fund which would make the total compensation from both sources exceed 100 percent of the amount the unit member would have received as salary had there been no industrial accident or illness.
- 10.3.5** If the unit member fails to endorse to the District any wage loss disability, indemnity check received on account of the industrial accident or illness as provided above, the District shall deduct from the unit member's salary warrant the amount of such disability indemnity actually paid to and retained by the unit member.

An extension of leave may be granted, not to exceed an additional twelve (12) months.
- 10.5.4** There shall not be a diminution of employment status for child bearing or child rearing except that no person shall be entitled to compensation, increment, or the accrual of seniority for layoff or reduction-in-force purposes, nor shall the time taken on parental leave count toward credit for probationary unit members in earning tenure status.
- 10.5.5** If a unit member is on leave for child bearing or child rearing and in the event of a miscarriage or death of a child subsequent to childbirth, the unit member may request an immediate assignment to a unit position. If there is a vacancy for which a unit member is qualified, the District will assign the unit member to a position as soon as practicable.

The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the unit member and the unit member's physician; however, the District management may require a verification of the extent of disability through a physical examination of the employee by a physician appointed by the District.
- 10.6.2** Unit members are entitled to leave without pay or other benefits for disabilities because of pregnancy, miscarriage, childbirth, or recovery therefrom when sick leave as set forth in Sections 10.1.1 and 10.2, and 10.5 has been exhausted. However, the District management may require a verification of the extent of disability through a physical examination of the employee by a physician appointed by the District.
- 10.6.3** The unit member on leave for pregnancy disability shall be entitled to return to a position comparable to that held at the time the leave commenced.

Unit members who are granted such leave shall be employed in the same or a comparable position upon returning from family care leave.
- 10.7.2** The District shall not be required to pay an eligible unit member during the period of any family care leave. A unit member shall not use sick leave during the period of any family care leave unless mutually agreed to by the District and the unit member.
- 10.7.3** If the eligible unit member's need for family care leave is foreseeable, he/she shall provide the District with reasonable notice of the need for the leave.
- 10.7.4** If the eligible unit member's need for family care leave is foreseeable due to a planned medical treatment or supervision, he/she shall make a reasonable effort to schedule the treatment or supervision to avoid disruption to the operations of the District, subject to the approval of the health care provider of the individual requiring the treatment or supervision.

The certification shall include the information set forth in subsection (i) (1) (A-D) of Government Code Section 12945.2. Upon expiration of the time estimated by the health care provider believes the employee needs to care for the individual requiring care, the unit member must immediately return to work.

- 10.7.6** Leave Provisions, including, but not limited to, Family Medical Leave Act (FMLA) and California Family Rights Act (CFRA), shall be in accordance with Federal and State Law. Where differences between Federal and State provisions occur, the eligible unit member may request the more beneficial of the two.

NON-MEDICAL LEAVE

In addition, a unit member on such leave shall notify the District Human Resources Development Office by March 1st of the school year as to intent to return to employment in the District. Failure to so notify will be considered an abandonment of position.

11.2.2.6 Potential resolution may include, but is not limited to:

2. Reassignment or rescheduling of students and/or staff.
3. Hiring of additional staff.
4. Teachers will receive \$2.25 per day for each student exceeding the maximum daily student classroom contacts.

11.3 After the 20 day grace period at the start of each semester within five (5) days of exceeding the class size maximums in Section 11.2 and the maximum daily classroom contacts contained in Section 11.2.2, the site administrator will initiate action to reduce the numbers at or below the maximum.

11.4 General education class enrollment in grades 6 – 8 exceeding the class size limits set forth in Article 11 of the Collective Bargaining Agreement (“CBA”) will be compensated as follows:

11.4.1 **6th Grade** \$2.25 per section per day, per student for each day the section enrollment exceeds the limits set forth in Article 11. In no event shall the section enrollment exceed 36 students.

- 11.4.2** When the placement of a student will cause a unit member's enrollment to exceed the class size maximums noted in Article 11.2 of the Collective Bargaining Agreement, when possible, site administrators will seek an available teacher volunteer, based on scheduling needs, before placing each student who exceeds the class size maximums in 11.2 of the CBA. An attempt will be made to place students in an equitable manner.

The compensation noted in this agreement shall not apply until the grace periods referenced in Article 11 have expired, except in instances when a section's enrollment at the end of the first semester exceeded Article 11 class size limits and the same students are enrolled in a new section at the start of the second semester. In this case, the per day, per student compensation would be applicable on the first day of second semester.
- 11.4.6** It is the intent of the District to provide compensation in accordance with this section to eligible unit members in their monthly paychecks. Monthly payment will be contingent upon the completion and submission of all required paperwork by the school site to Fiscal Services by the 15th of each month. Prior to the submission of this data, teachers will be required to verify monthly enrollment. Failure to meet the monthly 15th deadline will result in eligible compensation being paid the following month. Payroll will not issue separate checks for this compensation, for any reason.
- 11.5** The District shall make a reasonable effort to balance elementary class sizes at the same site and grade level.
- 11.6** The District shall assist site administration to evaluate and problem solve high school counselor caseload issues.

 - (k) The Consulting Teacher shall submit a Final Report by April 15th to the referred teacher. The referred teacher may attach written comments and return the report to the Consulting Teacher within five (5) working days. His/her signature indicates receipt of the document, but not necessarily agreement with its contents. No later than May 1st, the Final Report including any referred teacher's comments shall be submitted to the Panel and principal/evaluator.
 - (l) All reports shall be placed in the personnel file of the Referred Participating Teacher. The District in any personnel decisions or proceedings regarding the Referred Teacher may use the information obtained through participation in PAR Program. This information shall be accessible to the administrator(s) responsible for evaluating the performance of the Referred Teacher.

14.7 PARTICIPATING TEACHERS

(a) Referred Teacher

A Referred Teacher is a permanent teacher who receives assistance to improve his or her instructional skills, classroom management, knowledge of subject, and/or related aspects of his or her teaching performance as a result of an unsatisfactory final evaluation (Article 13). The principal/evaluator will provide the teacher with specific objectives and written recommendations regarding areas of improvement.

After the final written evaluation by principal/evaluator, fifteen (15) days prior to the end of the school year, the Panel will assign the Consulting Teacher to address

the areas for improvement as identified by the principal/evaluator. The Participating Teacher may request to be assigned to a specific Consulting Teacher. Once the teacher is referred and before the end of the school year, the principal/evaluator, the Referred Teacher, and the Consulting Teacher shall meet to discuss the unsatisfactory performance and recommended areas of improvement outlined by the principal, and to collaboratively identify types of assistance to be provided.

It is anticipated that a referred teacher shall stay in the PAR Program for no more than a calendar year. However, a Referred Teacher may, under special circumstances, remain in the Program for a total of eighteen (18) months upon a Panel recommendation.

Documents generated by Consulting Teachers and Panel Members regarding specific Referred Teachers as part of the assistance process set forth in this agreement shall be deemed personnel records and shall remain confidential to the extent required by the law. All reports shall be placed in the personnel file of the referred Participating Teacher. The District in any personnel decisions or proceedings regarding the Referred Teacher may use the information obtained through participation in PAR Program. This information shall be accessible to the administrator(s) responsible for evaluating the performance of the Participating Teacher.

(b) Voluntary Teachers

A Voluntary Teacher is a permanent classroom teacher who volunteers to participate in the PAR program.

The Voluntary Teacher may apply to the Panel in writing to be assigned to work with a Consulting Teacher. The Voluntary Teacher may request to be assigned to a specific Consulting Teacher.

Upon assignment, the Consulting Teacher shall meet with the Voluntary Teacher to develop a plan for voluntary assistance. The plan may be submitted to the principal for purposes of coordination and planning, upon the Voluntary Teacher's consent. The purpose of participation in the PAR Program for the Voluntary Teacher is for peer assistance designed to promote professional development. The documented hours spent by a Voluntary Teacher may count towards professional growth. The Consulting Teacher shall not participate in a performance review of the Voluntary Teacher.

The Voluntary Teacher may terminate participation in the PAR program at any time. The Joint Panel may terminate participation in the PAR program based on program parameters (Article 14.4 (l), Article 14.6 (j), Article 14.7(b) paragraph 7).

A Voluntary Teacher may be involuntarily placed in the Program in the event the teacher receives an unsatisfactory evaluation.

Voluntary Teachers in the PAR Program shall not have any documentation placed in their personnel files issued as a result of their participation.

Resources of the program budgeted by the Board for PAR shall first be allocated to Referred Teachers.

14.8 STATUS AND LIABILITY PROTECTION OF UNIT MEMBERS

Functions performed by unit members under this Article shall not constitute either management or supervisory functions as defined in the Educational Employment Relations Act.

Unit members who perform functions as Consulting Teachers or Panel members shall have the same protection from liability and access to appropriate defense as afforded to other public school employees under the provisions of the California Government Code.

14.9 BUDGET PRIORITIES AND CONSIDERATIONS

The District shall not be required to allocate funds for the programs as set forth in this Article in addition to those funds provided by the Legislature for implementation.

The Joint Panel shall recommend to the Governing Board a budget for the program and administrative expenses within the allocated legislative funding limits.

ARTICLE 15: COMPLAINTS CONCERNING SCHOOL PERSONNEL

15.1 Any student, parent or citizen complaint concerning school personnel shall be made directly by the complainant to the person against whom the complaint is lodged whenever appropriate. Parents/guardians are encouraged to attempt to orally resolve concerns with the staff member personally. An administrator receiving a complaint about an employee shall inform the employee of the complaint and attempt to facilitate direct communication between the employee and the complainant.

15.1.1 In the event that a public complaint involves accusations of the following, the provisions of 15.1 shall not apply:

- Child abuse;
- Sexual abuse/harassment;
- Discrimination;
- Civil rights violations, or;
- Other statutory violations.

15.2 If the complaint is not resolved at this level, the complainant may submit the complaint in writing to the school principal or designated District Complaint Officer, whichever is most appropriate, and the person against whom the complaint is lodged.

The Governing Board designates the following District Complaint Officer, as the Superintendent's designee, to receive and investigate complaints and ensure District compliance with law:

Assistant Superintendent

Temecula, CA 92592
(951) 506-7960

- 15.3** The person against whom the complaint is lodged shall have five (5) work days from his/her receipt of the written complaint to submit to the Superintendent's or designee's office a written reply to the complaint.
- 15.3.1** A copy of a timely submitted written reply shall be attached to the complaint if the complaint is filed in the employee's personnel file.
- 15.4** All parties involved shall attempt to resolve the complaint at the lowest administrative level.
- 15.5** No complaint shall be filed in an employee's personnel file until the procedures set forth in this Article are exhausted.
- 15.6** A violation of this process set forth in this article shall be subject to the grievance procedure. The substance of the complaint shall not be subject to the grievance procedure as set forth in Article 16 of this agreement.

ARTICLE 16: GRIEVANCE/ARBITRATION PROCEDURE

16.1 DEFINITIONS

- 16.1.1** A **grievance** is a formal written allegation by one (1) or more unit members, or unit members as a group represented by the Association, or by the Association, that there has been a violation of the specific provisions of this Agreement. Actions to challenge or change the policies of the District as set forth in the rules and regulations or administrations regulations and procedures must be undertaken under separate legal processes.
- 16.1.2** A **day** is a day upon which the District Office is open for business, as published on the District website. Computation of time shall begin on the day following the alleged violation of the Agreement.
- 16.1.3** The **immediate supervisor** is the lowest level supervisor or management employee having immediate jurisdiction over the issue.
- 16.1.4** The **grievant** is the unit member, unit members, or the Associations making the claim.

16.2 GENERAL

- 16.2.1** The grievant and immediate supervisor must be present at all levels of the processing of a grievance. The grievant may, at her/his election, be represented by the Association at all levels of the grievance process. The administration or Board may be represented by any person or agent designated by them to act on their behalf.
- 16.2.2** A grievance shall not be valid for consideration unless it is submitted in writing, on the prescribed grievance form, a copy of which is attached to this Agreement as Appendix D-1, to Human Resources Development setting forth the facts and specific provision(s) of the Agreement allegedly violated and the particular relief sought. The written grievance must be submitted within twenty (20) days from the date of the most recent act, omission or practice giving rise to the

- grievance. Failure to file any grievance within such time period shall be deemed a waiver thereof.
- 16.2.3** A decision rendered at any level in these procedures becomes final, unless appealed within the time period specified.
- 16.2.4** Failure by the District or its representative(s) to render a decision within the time periods specified herein shall constitute a denial of the grievance and the grievant may appeal to the next level.
- 16.2.5** Time periods given in these procedures may be modified by written agreement between the Association and the District.
- 16.2.6** If the same problem is identified by more than one (1) unit member, the Association or one (1) unit member on behalf of herself/himself and the other members may process the problem through the grievance resolution process. Names of unit members known to be affected shall appear on all documents related to the processing of the grievance. This provision may be waived by written agreement between the Association and the District.
- 16.2.7** A unit member may present grievances to the employer at any time, and have such grievances adjusted, without the intervention of the Association, as long as the adjustment is reached prior to arbitration, and such adjustment is not inconsistent with the terms of the written Agreement. If any employee presents a grievance on her/his own behalf, the Association shall have the right to be present, and state its views at all grievance meetings. The District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution, and has been given the opportunity to file a response.
- 16.2.8** A unit member's grievance shall in no way interfere with the right of the District to proceed in carrying out its management responsibilities. Unit members shall carry out all management directives pending the final resolution of a grievance.
- 16.2.9** All documents resulting from the processing of a grievance shall be kept in a separate grievance resolution file and shall not be kept in a unit member's personnel file.
- 16.2.10** At any time after Level II, the Superintendent/designee may attempt to resolve the grievance by meeting with the grievant and the Association representative.
- 16.2.11** Whenever possible, grievance meetings shall occur outside of the grievant's regular work hours. When this is not possible, and it becomes necessary for a single representative designated by the Association to attend a grievance hearing during the day, she/he shall be provided reasonable release time without loss of pay in order to permit participation in the foregoing activity. Witnesses for both parties shall be released with regular pay and benefits in time for testimony with as little disruption to the instructional schedule as possible.
- 16.2.12** Grievance processing timelines contained in this Article shall be suspended during an official District break or action period of five (5) consecutive days or more for the duration of the break period unless otherwise mutually agreed in writing by the parties.

16.2.13 Neither the Association nor the District, nor their respective representatives shall retaliate against a unit member who elects to participate or not participate in the grievance process as a grievant, witness, or representative.

16.3 GRIEVANCE STEPS

16.3.1 Level I Problem Solving

Prior to filing a grievance, the potential grievant will schedule a meeting with the immediate supervisor to identify the problem and seek resolution. The potential grievant shall notify the supervisor that the meeting is requested pursuant to this section. In the event the problem is not resolved at Level I, the decision may be appealed to Level II – Superintendent/Designee, provided the grievance is submitted on the prescribed form (Appendix D-1) to Human Resources Development within the twenty (20) day time limitation provided in paragraph 16.2.2.

16.3.2 Level II Superintendent/Designee

After receipt of the completed grievance resolution form, the Superintendent/Designee shall have ten (10) days in which to render a written decision regarding the grievance. In the event the grievance is not resolved at Level II, the decision may be appealed to Level III - Mediation, provided such appeal is submitted on the prescribed form (Appendix D-2) to Human Resources Development within ten (10) days after receipt of the decision at Level II.

16.3.3 Level III Mediation

The Superintendent/Designee shall, upon the receipt of the request for mediation within five (5) days, request the services of a mediator through the State Mediation and Conciliation Service, who shall meet with the parties and attempt to resolve the grievance. If the grievance is not resolved in such a fashion, the grievant has ten (10) days from the date of the final mediation meeting to file the grievance at Level IV. A Level IV grievance must be filled out on a new grievance form (Appendix D-3), including a notice to the District, that the grievant is proceeding to the Board of Education and be submitted to the Superintendent's Office.

16.3.4 Level IV Board of Education.

16.3.4.1 The grievant may present her/his case to the Board of Education at their next regularly scheduled meeting or, at the Board's discretion, at a special meeting.

16.3.4.2 The Board shall, within twenty (20) days after the hearing, render a decision in writing.

16.3.4.3 If the grievant is not satisfied with the results of Level IV, she/he has ten (10) days from the written decision to file a Level V grievance.

16.3.5 Level V Arbitration – (Effective July 1, 2001)

If the grievant is not satisfied with the disposition of the grievance at Level IV, the grievant may, within ten (10) days after Board review or ten (10) days after

receiving notice of the Board's decision, request in writing that the Association submit the grievance to binding arbitration. Once the Association has received the request to proceed to binding arbitration, it has twenty-four (24) hours to notify the Superintendent of the request. Within fifteen (15) days after receipt, the Association, by written notice to the Superintendent, may elect to submit the grievance to binding arbitration.

- 16.3.5.1** In the event the parties are unable to mutually agree upon an arbitrator, they shall request that a panel of seven (7) names of individuals experienced in the area of public school labor relations be submitted to both parties by the California Mediation and Conciliation Service. Upon receipt of the list, the parties shall alternately strike names until only one (1) remain, who shall be selected as the arbitrator.
- 16.3.5.2** If any question(s) arises as to the arbitrability of the grievance, such question(s) shall be first decided by the arbitrator in a separate hearing before consideration of the merits of the grievance.
- 16.3.5.3** The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- 16.3.5.4** The arbitrator may hear and determine only one (1) grievance at a time unless both parties mutually agree to consolidate similar grievances.
- 16.3.5.5** The arbitrator's decision shall be final and binding upon the parties, shall be in writing, and shall set forth findings of fact, reasoning, conclusions, and remedy. The jurisdiction of the arbitrator and the arbitrator's authority shall be confined exclusively to the interpretation of the express provisions of this Agreement which are at issue. The arbitrator shall be limited to deciding the issues submitted by the parties; and the arbitrator shall have no power or authority to add to, subtract from, alter, delete, amend, or modify the terms of this Agreement or the written policies, rules, regulations and procedures of the District. The arbitrator shall not have the authority to impose limitations or obligations not expressly provided for in this Agreement. The arbitrator shall be without the power or authority to make any decision which requires the District to do any act prohibited by law or in violation of this Agreement.
- 16.3.5.6** All costs for the services of the arbitrator, including but not limited to, per diem expenses, travel and subsistence expenses, and the cost of any hearing room will be borne equally by the parties. All other costs will be borne by the party incurring them.
- 16.3.5.7** The arbitrator's decision shall be submitted to the District and the Association within thirty (30) calendar days of submission of the matter.

16.4 MISCELLANEOUS

- 16.4.1** The exercise of management rights and prerogatives by the Board under Article III, which are not limited by the express terms of this Agreement, shall not be subject to the grievance resolution process.
- 16.4.2** This Article is not cumulative and shall be the exclusive procedure and remedy for the determination of any claim, the subject matter of which constitutes a grievance. Any unit member who brings an action on any such claim, or on whose behalf such an action is brought, in a court of law or equity, state or federal, or before any administrative tribunal, thereby waives any and all rights under this Article.
- 16.4.3** The District shall not be required to process any grievances upon expiration of this Agreement, except for grievances arising prior to the expiration date of the contract or any extension thereof.

ARTICLE 17: DUE PROCESS/JUST CAUSE

17.1 DUE PROCESS

- 17.1.1** The District shall not dismiss any unit member without fulfilling all appropriate provisions of the California Education Code.

17.3 DUE PROCESS (PROGRESSIVE DISCIPLINE PROCEDURES)

17.3.1 Verbal Warning

A verbal warning shall not be used unless the unit member has first been made aware of the performance standard. The unit member shall receive a written summary of the verbal warning and may request a meeting to discuss its content. Verbal warnings shall not be placed in the unit member's personnel file unless a written reprimand is later issued. Exceptions to a verbal warning may be made when safety and legal compliance issues are involved.

17.3.2 Written Warning

A written warning shall not be used unless the unit member has been given at least one (1) verbal warning about similar actions within the past twelve (12) calendar months. Written warnings shall not be placed in the unit member's personnel file unless a written reprimand is later issued. The unit member shall sign and date a receipt that he/she has received a written warning.

17.3.3 Written Reprimand

Written reprimands shall not be used unless the unit member has received a written warning about similar actions within the previous twelve (12) calendar months. At this point, the counseling conference/verbal with written summary and/or conference/written warning documentation may be attached to the written reprimand as examples. The unit member shall sign the reprimand to acknowledge receipt, and a copy shall be placed in the unit member's personnel file.

17.3.4 Suspension

Except as noted in 17.3.5, a suspension shall not be imposed unless the unit member has received a written reprimand during the previous twelve (12) calendar months. No unit member shall receive more than three (3) days, without pay, for the first suspension. Thereafter, suspensions shall not exceed six (6) days, without pay, per suspension.

In all instances, the length of the suspension shall relate to the severity of the incident and the unit member's overall disciplinary record.

17.3.5 The Superintendent may suspend an employee pending Board or legal action when, in the opinion of the Superintendent, continuation of the unit member in his/her position would present a clear danger to the students, staff, property, or reputation of the District, or to the unit member.

17.4 SUSPENSION PROCEDURES

17.4.1 The Superintendent, or designee, shall give written notice to the unit member of the District's intent to suspend the unit member.

17.4.2 The notice shall include the cause(s) on which the suspension is to be based, the date(s) on which the suspension shall take place, a statement that the unit member has a right to discuss the proposed suspension with the Superintendent or designee prior to the suspension, and a proposed date, time and place for such pre-suspension discussion.

17.4.3 The unit member shall have five (5) working days in which to respond to the notice of suspension. If the unit member does not respond, the District will schedule the suspension and provide notice thereof to the unit member. The unit member's response to the notice of suspension, if any, shall confirm the proposed date and time for the pre-suspension discussion or waive such discussion. The pre-suspension discussion, unless waived, shall take place within five (5) school days from the date of the notice.

17.4.4 The unit member shall be given the opportunity to present facts and arguments regarding the proposed suspension and to be represented at the pre-suspension discussion.

17.4.5 The Superintendent or designee shall inform the unit member of the decision to suspend or not to suspend within three (3) working days from the date of the pre-suspension discussion or after five (5) days from the date of the notice of suspension if the unit member did not respond.

18.2 All unit members are eligible and may apply for (ESYRP) assignments.

18.3 Vacancies for (ESYRP) positions shall be posted at each District school site as soon as possible prior to the commencement of the (ESYRP) that year.

18.6 If a unit member's application for an ESYRP assignment is denied, the unit member shall, upon request, be provided a written explanation of the reason(s) for the denial by the ESYRP principal.

19.3 SELECTION FOR HOME TEACHING - MIDDLE AND HIGH SCHOOL

19.3.1 Where possible, the home teacher assignments may be offered to a teacher in the student's schedule. Otherwise, the home teaching assignment will be offered to another unit member who has applied for home teaching, if qualified and available. In cases where no unit member has applied, the District will seek out other qualified teachers.

19.4 RATE OF PAY

ARTICLE 20: RETIREMENT

20.1 EARLY RETIREMENT - SUSPENDED

20.2 RETIREMENT

20.2.1 The District will adhere to all applicable State and Federal guidelines related to retiree access to District health benefit programs.

20.2.1.1 A retiree may elect to consult/substitute as a means to reduce benefit costs.

ARTICLE 21: MENTOR TEACHERS - SUSPENDED

ARTICLE 22: SHARED TEACHING

22.1 The Temecula Valley Unified School District will consider a shared teaching contract when the following conditions are met:

22.1.1 Both unit members are fully credentialed for the specific position to be shared.

22.1.2 Unit members involved in job share shall complete the Shared Teaching Contract Agreement (Appendix I) annually.

22.1.3 The site principal and the Superintendent (or his/her designee) must approve the job share on an annual basis.

22.1.4 If a unit member's request for a shared teaching assignment is denied, the unit member shall, upon request, be provided a written explanation of the reason(s) for the denial by the site principal.

22.1.5 Unit members involved in the job share must jointly attend all District calendared staff trainings, parent conferences, Back-to-School, and Open House events. Both unit members may be required to attend up to five (5) other

staff trainings. Any further training will be split between the members in a mutually agreed upon schedule with the Principal. The members are both accountable for the information presented at all staff trainings. All obligations regarding duty schedules and District committees must be met.

- 22.1.6** Unit members involved in the job share may agree to substitute at the current substitute pay rate for each other to promote program continuity.
- 22.1.7** Unit members involved in the job share must provide the principal with assurances that articulation and joint planning are taking place on a regular basis.
- 22.2** Unit members on a shared contract program may be returned to full-time employment the following year, subject to the provisions of Article 12.1, 12.2, 12.3, 12.4 and 12.5, if all of the following criteria are satisfied:
- 22.2.1** A full-time vacancy for which he/she is credentialed exists the following year.

- 22.3 SHARED BENEFITS**
- 22.3.1** Each shared contract provides one (1) District employee benefits package pursuant to Article 7.1. Each partner's share of the District employee benefits package is equal to the percentage of his/her shared contract.
- 22.3.2** The shared contract partners may elect to purchase their unfunded portion of the benefits package.
- 22.3.3** Either contract partner may waive his/her percentage of the benefits package to his/her partner upon verification of other insurance coverage.

- 22.4** Each unit member participating in a job share will receive his/her pro-rata share of credit towards salary advancement. In an equal job split, each unit member would earn 50% credit for the year. Salary schedule movement related to experience will be granted as for all staff members, at the beginning of the school year (Appendix I).

22.5 CHANGE IN POSITION

- 22.5.1** If one (1) member of the job share leaves this position for any reason, the remaining member will be given the first right of refusal to assume the full-time position for the remainder of the school year or until a replacement satisfactory to the District is found.

The four established essential questions of a PLC/Collaborative model will be the foundation for all team discussions and work:
- What do we want students to learn?
 - How will we know when they have learned it?
 - What will we do for those who do not?
 - What will we do for those who already know it?
- (b) Unit members may be required to provide a brief statement of progress after each collaborative meeting.
- (c) The core tenets of a PLC/Collaborative culture will be shared with all new unit members.
- (d) The District and the Association will work collaboratively to provide the time, resources, and access to data for efficient use of PLC/Collaborative discussions and work.

ARTICLE 26: SUPPORT OF AGREEMENT

- 26.1** The District and the Association agree that it is to their mutual benefit to encourage the resolution of differences through the meet and negotiation process. Therefore, it is agreed that the District and the Association will support this Agreement for its term and will not appear before any public bodies to seek changes or improvement in any matter subject to the meet and negotiation process except by mutual agreement of the District and the Association.

ARTICLE 27: CONCERTED ACTIVITIES

- 27.1** It is agreed and understood that there will be no strike, work stoppage, slow-down, picketing of the District by the Association or by its officers or agents, during the term of

It is further understood that any employee who fails to comply with such a cease and desist request may be subject to discipline or discharge by the District in accordance with procedures established by law.

ARTICLE 28: SAVING PROVISION

- 28.1** If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 29: TERM

- 29.1** The new term of the Agreement will be from July 1, 2019 through June 30, 2021. For the 2020/21 school year, the parties agree to reopeners on Article 7: Compensation and Benefits. In addition, the District and the Association shall have the ability to reopen two (2) articles for negotiations.

There is evidence that students who are members of special populations (e.g., ELL, RSP, etc.) are making progress in academic content areas or the subject area(s), though growth may be less, on the average, than students who are not members of a special population. In self-contained settings, there is not a large discrepancy in overall student progress between subject areas.</p>	<p>While the teacher has administered all required assessments and maintained records of progress, students do not demonstrate a general pattern of progress towards attainment of standards in core academic areas or the subject area(s) taught. While some students may demonstrate measurable and significant progress, a large number of students may have demonstrated marginal gains or regressed. In particular, students' baseline scores demonstrated average or above average performance may have progressed, while students with lower baseline assessment scores may have shown little or no progress. In self-contained settings, students may have demonstrated uniform growth in one core academic area, yet shown inconsistent growth in another.</p>	<p>Few students demonstrate progress towards the attainment of grade-level standards according to assessment results. In self-contained settings, students in general show limited or no progress in core academic areas of reading/language arts and mathematics. There may be significant discrepancies between assigned grades and performance measures (e.g., high grades and low performance measures). Record keeping on assessment results may be incomplete and/or the teacher may not have administered assessments on a consistent basis according to established guidelines.</p>

PROJECT OPTIONS

ACTION RESEARCH PROJECT

This option will allow a teacher to work on a question he or she may have in regard to classroom performance, student needs, or the impact of various teaching methods on learning. The information gathered by the teacher will then be used to improve teaching and student learning. Classroom-based research can be self-directed or done by a group of teachers who have a common interest/question to be researched.

DEVELOPMENT OF CURRICULUM UNIT OR COURSE

This option will provide a teacher with the opportunity to develop an extensive curriculum unit or course of study directly tied to grade level content standards in any subject area.

LESSON STUDY

This option will allow teachers the opportunity to engage in a professional development process to systematically examine their teaching practices. The teacher will work cooperatively with other teachers to plan, teach, observe and critique their lessons based on a selected overarching goal and related research question they want to explore.

MENTORING OR PEER COACHING

Mentors are trusted and experienced practitioners who have an interest in the development of less experienced individuals. Both mentors and mentees can improve professional knowledge, skills, and attitudes by working together. The teacher choosing this option will focus the goals on the areas of growth he/she will accomplish by guiding the growth of another teacher. The mentor will experience the personal challenge that comes from analyzing and reflecting on instruction in order to be able to share that expertise with a colleague. This mentoring relationship is founded on trust, honors confidentiality, and is **not** evaluative.

Peer Coaching is the process through which two professionals work collegially toward a refinement of professional practices, sharing their knowledge of best instructional practices and supporting each other for the purpose of learning new skills. The partners may share common interests or questions about content/pedagogy. Their interaction is based upon an on-going, regularly scheduled dialogue about lesson planning, instructional strategies, and each partner's reflection on his/her own teaching. The partners may or may not choose to actually observe each other in action. For this option to work best, both partners must be committed to facilitating each other's learning and growth. This peer relationship is founded on trust, honor, confidentiality, and is **not** evaluative. The best peer coaches are individuals who communicate well, are open-minded, and strive to improve their teaching skills.

NATIONAL BOARD CERTIFICATION PROCESS

The National Board process is very rigorous and tests the teachers' competence in all domains. This option is a logical choice for teachers who have taken on that challenge. The teacher and administrator should set the annual goals to reflect particular areas of interest to the teacher and should have a minimum of one (1) mid-year conference focusing on progress.

SELF-DIRECTED PROFESSIONAL GROWTH

This option will appeal to teachers who wish to engage in workshops, seminars, or classes to expand their personal repertoires of subject matter content or pedagogical strategies. Many teachers are engaged in professional development activities tied to a school-wide goal and others prefer to chart their own courses of study. Some teachers may use this option as an opportunity to align their lesson plans with academic standards and design appropriate assessments. While making sure that the action plan is closely connected to specific teacher performance standards, the teacher and administrator will find this option to be highly flexible.

SITE LEADERSHIP ROLE

This option will provide teachers the opportunity for instructional leadership. Such leadership would involve development and organization of programs that will positively impact instruction and student achievement. These roles might include, but are not limited to, department or grade level Professional Learning Community lead, Student Study Team Coordinator, GATE Coordinator, Instructional Technology Coordinator, or Literacy Specialist.

APPENDIX O ONE TIME HEALTH & WELFARE PREMIUM INCREASE OFFSET

WHEREAS, the representatives of the District and the Association have met and agreed upon the following Agreement in an effort to assist unit members in offsetting 2017-2018 Health and Welfare premium increases.

WHEREAS, all agreed upon provisions shall become effective November 13, 2017, and shall remain in effect through June 30, 2018; unless the parties meet to negotiate a subsequent expiration date of this Agreement.

NOW, THEREFORE IT IS AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. The District agrees to pay a one-time disbursement to assist TVEA members with the increase in insurance costs for the 2017-18 year. Unit members who are actively enrolled in the District's Health and Welfare program will receive up to a maximum of \$75 per month for the months of October 2017 through June 2018. This disbursement will be distributed as follows:
 - A. For those members who have opted to pre-tax (IRS 125 Plan) their benefits, a negative voluntary deduction will be made on their paycheck in the agreed upon amount. This will be a one-time adjustment for the 9-month period and will be seen in the February paycheck as a part of the normal pay cycle.
 - B. For those members who have not opted to pre-tax their benefits, the payment will occur through a warrant issued as a reimbursement. This warrant is a paper check that cannot be auto-deposited so each member will need to pick up and deposit this check on their own. The timeline for these warrants is approximately the same as for the February pay checks.

As the District is issuing the entire 9-month reimbursement in February, any member who leaves the employment of the district prior to fulfilling the remainder of the contract year will owe back to the District any portion of the reimbursement that is not payable to them based upon the concept of one month's service earning one month's reimbursement.

After June 30, 2018, the District's Health and Welfare contribution shall revert to the 2016-2017 benefits contribution limit of \$10,287.

2. The District and TVEA agree that this one time adjustment to health and welfare benefits shall have no impact on retiree medical benefits.
3. The District and TVEA agree that negotiations for Article 7: Compensation and Benefits for the 2017-2018 school year shall be considered closed.

APPENDIX P 4th/5th GRADE NON-ENROLLED STUDENTS

1. Students in grades four (4) and five (5), who attend and participate in at least a combined 150 minutes of weekly English Language Arts and/or Math and/or Social Science and/or Science instruction, but are not on the teacher's roster, shall be included in the class size maximum number of students noted in section 11.2 of the CBA.
2. In the event that any individual teacher's class size in grades four (4) and five (5) exceeds 32 students, all students not enrolled on the teacher's roster will be assigned to a participation level in accordance with the chart below:

Levels	Weekly Classroom Participation in ELA/Math/Science/Social Science	Daily Equivalent	Daily Compensation
I	150 - 220 minutes	30 - 44 minutes	\$1.30
II	221 - 244 minutes	45 - 48 minutes	\$2.25
III	245 - 369 minutes	49 - 73 minutes	\$3.00
IV	370 - 489 minutes	74 - 97 minutes	\$4.00
V	490 plus minutes	98 plus minutes	\$4.75

3. Per student daily overage compensation will be based on the weighted average compensation rate of all eligible students who are not enrolled on teacher's roster, multiplied by the actual number of students exceeding 32. For example:

Teacher			9n/2017 Enrolled Students (Wednesday)
			30
	Non-Enrolled Stu Levels	Comp. Rate	Number of Students in Each Level
Additional Non-Enrolled on Roster Students	Level I	\$ 1.30	0
	Level II	\$ 2.25	1
	Level III	\$ 3.00	2
	Level IV	\$ 4.00	1
	Level V	\$ 4.75	0
	Total=< 3		→ 2
			\$ 6.13

$$=((1.30*0)+(2.25*1)+(3.00*2)+(4.00*1)+(4.75*0))/(0+1+2+1+0)*1 = 6.13$$

COLLECTIVE BARGAINING AGREEMENT BETWEEN TVUSD AND TVEA
TERM OF CONTRACT: JULY 1, 2019 – JUNE 30, 2021

4. In no event shall a teacher’s class size (enrolled students on roster + students not on the teacher’s roster) exceed 35 students.
5. To maximize assigned support, class sizes at the same site and grade level may be unbalanced. An attempt will be made to place students in an equitable manner.
6. Enrollment in grades 4 and 5 may exceed the maximum noted in Article 11.2 during the first 10 days of each first semester. The compensation noted in this agreement shall not apply until this grace period has expired.
7. This Appendix shall not in any way impact Grade Span Adjustment (GSA) requirements for grades Transitional Kindergarten up to and including grade three (3). When calculating GSA averages, the District will adhere to applicable law only.
8. It is the intent of the District to provide compensation to eligible unit members in their monthly paychecks, using a one (1) month “lookback period”. Monthly payment will be contingent upon the completion and submission of all required paperwork by the school site to Fiscal Services by the 15th of each month (September – May). The “lookback period” for the months of May and June will be combined and data must be submitted to site administration prior to the last day of school. Examples of the first and last “lookback” periods and data submission deadlines are noted below:

Lookback Period	Teacher Submission	Monthly Compensation
9/1 - 9/30	10/1 - 10/7	10/31
5/1 - 6/1	6/1 - Last student day	6/30

Prior to the submission of this data, teachers will be required to verify monthly enrollment. Failure to meet the monthly 15th deadline will result in eligible compensation being paid the following month. Payroll will not issue separate checks for this compensation, for any reason.
